

LINGCHANDAR V

Electronics and Communication Engineering student

CONTACT

-  +91 7358460682
-  lingchandar@gmail.com
-  Linked In: Lingchandar v
-  2nd street dasarathapuram, Saligramam, Chennai-93

SKILLS

- PYTHON
- Javascript
- HTML/CSS (basic proficiency)
- Project Management

LANGUAGE

- Tamil - First language
- English - Proficient

CERTIFICATION

- Python[certified]
- IoT and IIoT[certified]

National level seminar

- Technological Up-Gradation And Digitization For Sustainable Energy.

PROFILE

As a B.Tech student specializing in Electronics and Communication Engineering (ECE), I have developed a robust skill set that includes expertise in electronics and programming, complemented by exceptional communication skills and proficiency in overall project management.

EDUCATION

S.A ENGINEERING COLLEGE - (Bachelor of Engineering)
Electronics and Communication Engineering

- The focuses on designing, developing, and testing electronic devices and communication systems.

XII and X Grade

- Grade XII-HSE-Higher Secondary Examination : 72.33%
Major - Mathematics, Physics, Chemistry, ComputerScience.
- Grade X- SSLC- Secondary School Leaving Certificate : 69%

PROJECT

INTRUDER ALERT SYSTEM

1. Build using Arduino ide software.
2. Build using IoT Formats.
3. Complete study of Electronic
